

REAL VALUE

40 YEARS OF AMERICAN SOLAR MANUFACTURING

In today's competitive global economy, SolarWorld remains committed to sourcing, manufacturing, assembling and hiring right here in the USA.

WE CREATE AMERICAN JOBS

SolarWorld employs more than 800 Americans at its U.S. headquarters in Oregon and other states.

WE ADVANCE AMERICAN TECHNOLOGY

SolarWorld has pioneered solar technology since 1975. Our engineers continually push the limits of renewable energy innovation.

WE EXCEED THE HIGHEST STANDARDS

We meet or exceed America's high environmental, safety and labor standards. In fact, the Silicon Valley Toxics Coalition has identified us as one of the world's greenest solar companies.

WE HELP ACHIEVE ENERGY INDEPENDENCE

By making and keeping solar here, we help break America's dependence on foreign energy supplies and renewable-energy technology – in a clean, sustainable way.
